NOTICE OF ANNUAL GENERAL MEETING

Notice is hereby given that the Annual General Meeting of Sawtell Surf Lifesaving Club Incorporated will be held in the clubhouse multi-purpose room on Sunday 26th June 2016 at 10am.

Business of the meeting

1. Clarification of voting eligibility
2. Confirmation of minutes of the Annual General Meeting held on 28.06.2015
3. Receipt of the Committee's report upon the activities of the Club in the last financial year
4. Receipt and consideration of an audited statement from the Committee for the last financial year of the Club's income and expenditure, assets and liabilities and cash flow
5. Election and appointment of Office Bearers of the Committee and holders of other Club support positions.
6. Setting of membership fees for 2016/17
7. Consideration of any nomination for life membership
8. Business of which notice has been given not less than 21 days before the meeting
9. Such general business as may be brought forward with the consent of the meeting

**Sawtell SLSC – A Club for all
Ages, Achievements and
Involvement**

President's Report

Our Club has enjoyed a very successful 2015/16 season

The strength of our patrols indicates the strength of our club. We should all be very proud of what we do. Members willingly volunteer many hours of their time each year to protect and keep our community safe on the beach and in the water and for that I sincerely thank you.

The positive culture of our club is highlighted by the many members that take on extra roles such as committee members, training officers, officials, IRB Crews, competitors, water safety at nippers and carnivals, coaches, community events and maintenance workers around our grounds. I would especially like to mention in respect of this last item the great work Mick McGavigan does around our Club.

Our JASC are another strong positive force under the leadership of Gerard De Carle and Michael Meacham. I was excited that the team we had attending Country this year was the largest group we have had attend for some time. It is so rewarding to see our nippers enjoy the excitement of competing and making new friends.

I have enjoyed participating with our training squad this season and watched them improve their skills, their confidence, their teamwork and their amazing fitness. Equally important I have also noticed how they respect our coaches, and value the camaraderie and support of their teammates. Our club is very fortunate to have such dedicated, committed and passionate coaches as Kevin Clancy, Greg Russell, Rob Lyons, Andrew Martin & Greg Jensen.

The Club thanks our coaches for your continued support and encouragement and appreciates your commitment, and energy not to mention the many hours throughout the season you spend on the beach. The rewards are worth it in that you are helping to build both the individuals and our club.

To my committee, I thank you all from the bottom of my heart for your support, guidance, passion, dedication and the many hours of your valuable time that you willingly donate to our club. I would especially like to thank Jenni Lyons for your invaluable contribution. Jenni will be stepping aside as treasurer at the end of this season to spend more time with her family. The Club is indeed lucky that she will mentor and pass her skills to the next treasurer.

Some key achievements of our Club this year include

- * The adoption of a new Constitution and By-laws
- * An overhaul and redesign of our webpage and successful piloting of various forms of social media communications, including facebook and our very own Juniors App
- * Approval of a DA for the redevelopment of our Clubhouse.
- * A revamped monthly Newsletter with a very professional look. Thanks heaps Gen Dellar

* Actively pursuing and as yet unofficially, at the time this report goes to print, being approved for the Bronze level award under the Quality Club Program initiated by SLSNSW. Thanks to Steve Foster for being the driving force towards achieving a positive outcome in relation to this award

* The emergence of a club culture that is flexible and open to change. We will listen to your feedback and will take action where possible and appropriate

* Continuing to ensure the strong co-operation that exists between our Seniors and Juniors

* Hosting a very successful supporter/sponsor recognition evening - many thanks to Shantelle Winchester

My personal thanks to my executive Bruce, Steve, Jenni, Gerard and Sheena. Thank you for keeping me strong and for your friendship and support.

Our club; a place to belong, a place to grow and be safe. This was the motto we discussed last year and I can honestly say that our club is all these things.

Leanne James

Club President Leanne James presenting Mark Sherrin the President's Award for Club Spirit

Treasurer's Report

The income and expense statement for the 2015-16 season illustrates the strength of Sawtell Surf Club. It is a true reflection of the passion and dedication of the committee and club members in that together they work tirelessly to ensure the facilities and equipment are maintained and updated to provide the community with a safe water environment.

The consolidated reported income for 2015-16 was \$200,009 less expenses of \$172,348 which netted a surplus of \$29,661.

Fifty percent of the income of \$100,472 was gained through donations, grant funds, raffles and fundraising activities. This increase of \$15,000 was primarily from donations. The partnerships formed with local businesses has placed the club in a positive position with the on-going financial support in the coming seasons.

Other income that was generated came from membership's fees of \$33,455, combined rental income of \$44,631, clothing sales of \$12,760 and annual interest earned from term deposits of \$6,113.

The consolidated expenses totalled \$172,348, of which 36% is attributed to administration costs associated with running the club including insurance, capitation, utilities and awards. In addition, the repair and maintenance costs are showing a substantial increase this financial year compared to last. This is due to costs of maintenance to the building and contents. This will continue to be an ongoing concern in the future until the club is able to source the funds to rebuild.

Clothing costs at \$29,272 is a combination of clothing for re-sale and personal protection equipment (PPE). The increase of this expense is attributed to a few factors including replacement of PPE uniform for Nippers, the change in club clothing and the need to purchase some patrol uniforms for the first time.

At the beginning of the season the committee determined to source the funding to upgrade equipment including a new ATV, a ski trailer, an IRB, a rescue paddle board, 10 x nipper boards, radios, a marquee and solar panels. These items totalled approximately \$39,000. In addition the Club has secured the funds to pay for a new patrol vehicle.

Sawtell Surf Club remains in a positive financial position for the coming season with combined financial assets of \$203,000, cash of \$90,941 and an inventory of clothing of \$7,683.

I have enjoyed my role as Treasurer and being part of a proactive forward thinking committee. My role has been complimented by many committed people, in particular I would like to sincerely thank Bruce Coomber for his on-going support and Vikki Macphail her assistance with the club's BAS preparation.

Jenni Lyons

Club Captain's Report

By every measure Sawtell has had a very successful year ensuring the safety of locals and visitors alike to our beach.

This season a total of 152 patrolling members undertook 5150 hours of patrol over the 78 patrol days of the season which commenced at the beginning of the September school holidays last year and finished on Anzac Day.

68 members achieved 100% patrol awards. 100% awards are made to those members who undertake all their own rostered patrols or who arrange a swap with a member of another patrol so that the patrol strength remains unaltered.

These members are the backbone of the Club and their efforts are greatly appreciated. Each of these 68 members undertook a minimum of 35 patrol hours.

We performed 28 rescues with 10 using tubes, 7 using boards and 11 using IRBs. Rescues are of course the result of something going wrong. Most of our work is designed to prevent the need for rescues in the first place by ensuring that the flags are in the right place and that preventative actions occur when needed to keep people between the flags. We undertook 166 preventative actions this season. We also closed the beach to swimmers 9 times during the season when things were just too unsafe.

The Patrols provided First Aid on 19 occasions including 1 major wound and 1 spinal. Ambulances were called on 2 occasions.

While the number of visitors to the beach can only be a rough approximation the record shows that 51,500 people visited the beach during patrolling hours of which more than 11,000 swam between the flags.

The result of these efforts or if you like the proof that this is worthwhile is demonstrated by the fact that there were no drownings or near drownings at Sawtell this season.

In addition to patrolling Sawtell Beach we also assisted in a number of community events with the most noteworthy being to provide water safety and first aid at the Coffs Ocean Swims and the BCU Triathlon.

I would like to personally thank all those who have assisted me so greatly during the year in my role as Club Captain. The patrol captains and members of their patrols, the folk who ensure that our equipment, vehicles and IRBs are always ready to go, the club committee, the assistant Club Captain and many others who all helped me to undertake my role pleasant.

Together we ensured that we provided very high quality surf life saving services at Sawtell in the 2015 / 2016 season. May beach conditions recover from the recent East Coast low

Steve Rayson

IRB Captain's Report

This year I would firstly like to acknowledge the very strongly support given by the Club Committee to the IRBs. These essential pieces of surf lifesaving equipment are not cheap to purchase, maintain and operate.

We have had a very successful season and kept all 3 IRBs in service for the entire year which enabled us to fulfil our patrol obligations and undertake water safety for the Nippers and for many other events including Bronze training courses, the BCU Coffs Tri, Coffs Ocean Swims, Coffs Craft Carnival and Branch Carnivals. The IRBs also provided water safety for the Monday and Friday afternoon Board Training squads. This latter task was admirably coordinated by Mark Sherrin.

All our equipment is continually replaced as needed. During the year we obtained a new IRB from Cobia Boats to replace our oldest IRB which was 9 years old. The IRB was as fittingly named 'JACO' in memory of Phil Jacobson. Next season we will be purchasing a new motor to replace our oldest IRB motor. The new motor will be a Mercury instead of the Yamaha's we have been using as these are now used by most Surf Clubs and appear to be more robust than the Yamaha motors.

This year we continued the practice of doing all the IRB motor and hull maintenance ourselves which has saved the Club hundreds of dollars. Special thanks go to Shane Golden and Neil Robertson who have all been of enormous support to me in doing the IRB maintenance work.

We continue the practice of undertaking IRB training over the winter months to ensure that the IRBs are available for all events over the patrolling season. The Crewpersons and Drivers squad last winter were trained by the same IRB Training Team which has undertaken that training for several years. The training team is Steve Rayson, Neil Robertson, Shane Golden, Shannon Wilson, Shelley Lantry and myself. This year starts the beginning of Gavin Winchester's training career with IRB's. IRB training involves Sunday mornings for 18 – 20 weeks over winter. For this team there is no 'off' season. As this on top of the patrol obligations and other club commitments undertaken by these members they deserve a great deal of thanks from all.

Finally, a special thanks to all the Sawtell IRB Drivers and crewpersons. IRBs are an essential piece of lifesaving equipment without which we are not allowed by SLS Australia to patrol Sawtell beach. Not once during the last season were we short of a qualified IRB Driver and Crewperson for patrols.

Scott Rayson

Chief Training Officer's Report

It has been an extremely busy year for training at Sawtell SLSC.

Between 1 May 2015 and the 30 April 2016, our members including juniors (Nippers) have achieved 314 SLSA Education awards and certificates, which is an outstanding effort. Congratulations to everybody who achieved these awards. The names of the recipients of the major awards are included in this Annual Report. It shows the willingness of members to continue updating and gaining new skills which will be of benefit to themselves, their family and the community that we as a surf club serve.

For some, the season continued through the off season with four (4) members obtaining their IRB Crew. During May twenty-three (23) members completed their Advance Resuscitation Technique award or the First Aid award. In July one (1) member completed the Silver Medallion Basic Beach Management award. In September three (3) members of our call out team braved the cold spring nights off Urunga where they undertook the Silver Medallion Aquatic Rescue (SMAR) award. The aim of this course was to provide the participants with the skills and knowledge to participate in search and rescue operations.

This season, our Club ran five Bronze medallion courses and a Surf Rescue Certificate (CPR endorsed) course. We trained 45 new Bronze Medallion holders (which also included 18 from The Armidale School) and we had 7 'Nippers' take their first step into the senior surf club, by achieving their Surf Rescue Certificate (CPR Endorsed). This is a great result and congratulations to these members for their outstanding effort. It is important for us as a club to continue to develop, support and encourage these younger members, as they do represent the future of our club and surf life saving. The large number of new bronze medallion holders this season will add to our patrol strengths in the coming year. It is hoped that those community members we have trained which includes participants from The Armidale School will become involved in surf lifesaving clubs when their situation allows.

These new members along with our current members will continue to ensure that the level of safety that the public is accustomed to is continued and maintained on Sawtell Beach.

I would particularly like to thank my fellow instructors for their hard work and contribution throughout the season. Surf life saving is continuing to increase the workloads put on our training officer's with paper work and the like due to our VETAB accreditation, so the effort put in by our training officer's is phenomenal. I know that our course participants are particularly appreciative of the effort put in by these people throughout the year. Thanks must also go to the branch and their assessors for their work throughout the year in assessing our members.

As can be seen from the listing of SLSA Awards there were a range of courses conducted by the club and branch which our members were involved in. Hopefully we will be able to organise more of these courses in the lead up to and during the next season and I would encourage everyone to consider participating.

I am very appreciative and pleased with the effort put in by the club's training officers and I look forward to seeing their participation in the up coming season.

Once again congratulations to everyone. Keep up the great work and I encourage you to continue your involvement with surf life saving and the Sawtell SLSC to keep the community and visitors of Sawtell and surrounding areas safe on the beach.

Andrew Martin

Registrar's Report

The 2015-2016 Season has seen our great Club with a total roll strength of 540 members – and this represents an increase of 6 members from the previous season.

2015-2016	2014-2015	Increase/Decrease
20 Life Members	20	0 0.00%
2 Honorary	1	1 100.00%

0 Pending Member Requests		
0 Partial membership applications		
540 Total Potential membership		
534 Members last season		
6 Variance		

For the 2015-2016 Season, the Club held its 1st “all-in-one” Registration Day – where Nippers could complete their pool swim proficiencies at Sawtell Pool and all members wanting/needing to do manual paperwork, could come to the clubhouse. Thanks to the recent installation of the NBN/WiFi, members were also able to use our “Internet Kiosk” to perform online membership transactions and EFTPOS payments and while there were some teething problems

with the move from Lifesaving Online to the new Members Portal, the day was largely seen as a success.

Another key objective this season, was to finish what was started the previous year and go “all-out” to ensure the Club’s records were 100% compliant in terms of minimum membership records, verification of identity, Member Protection Declarations and the new Working with Children Check. I am happy to say that we managed to achieve 99.44% success (with only 1 member overseas and 2 Nippers who can’t find their birth certificates keeping us from a perfect score). I wish to extend a huge thank you to all those who assisted in this area on the official Registration Day (and the subsequent Nipper mornings where a few memberships trickled in) and I would especially like to thank; Leanne James, Jenni Lyons, Bruce Macphail, Gerard de Carle, Michael Meacham and Jo McKeon for their tireless efforts in chasing-up loose ends and getting us to such a strong position.

I was also pleased to be acting as the coordinator for our 1st attempt at the Bronze Level of the SLSNSW Quality Club Program, which is designed to get surf clubs to review their procedures and processes across all aspects of club activities and with a view to ensuring sustainability. The Bronze level alone covers 55 criteria across 11 categories, all of which must be supported with evidence and verified.

This program has already brought about some new thinking and alerted us to areas in need of improvement and we have made changes accordingly. I am happy to say that our efforts have paid-off and the Club has become the 1st in North Coast Branch to complete this program and we are now setting our sights on “Silver” & “Gold”

(where the main focus is on development and succession planning).

Steve Foster

Competition Manager's Report

It has been a very busy 2015/16 competition season for nippers, seniors and masters. Some of the competitors have hardly had a break from training and competition already started in September with the Jacob Lollback Classic (an endurance board race for seniors in Yamba) and finished in April with the famous Aussies on the Sunshine Coast.

Below is an overview of competitions with representations of Sawtell SLSC competitors:

- Jacob Lollback Memorial Classic (Yamba)
- Weekend of Surf in (Forster)
- North Coast Branch Carnivals (Jetty Beach, Woolgoolga and Sawtell)
- Coffs Harbour Craft Carnival (Coffs Harbour)
- Hugo Smyth Carnival (Coffs Harbour)
- Coolangatta Gold (Coolangatta)
- NSW Interbranch Championships (Cape Hawke)
- Manly and Freshwater Classics (Sydney)
- NSW Country Championships (South West Rocks)
- NSW State Championships (Umina-Ocean Beach)
- Queensland State Championships (North Burleigh)
- Aussies (Sunshine Coast)

Some season's highlights included:

- Sawtell SLSC achieved a fifth overall position of all surf life saving clubs at the NSW Country Championships in South West Rocks; our club was represented by a team of 60 competitors, nippers, seniors and masters: the biggest team in many years
- Sawtell competitors had many great races, finals, places and medals: too many to mention here
- Some prestigious individual medals at State Championships have been won by Ky Kinsela (Gold in U17 Swim) and Aidan Blaxland (Bronze in U12 Iron) as well as an individual first place for Tahlia Kollen at the Interbranch Championships (U17 Swim); outstanding performances at State level in team events (Tahlia Kollen and Sophie McConnachie) were Gold medals in U19 Board Rescue in NSW and Queensland
- Sawtell SLSC showed great spirit to organise the Branch Championships when another Club was not in the position to organise it? Thanks go
- to all of our many great volunteers (active on water and on the land) for this effort..

Many thanks go to all of the trainers who organised the many training sessions for our juniors, seniors and masters. The training sessions wouldn't have been possible without the fantastic support of the IRB and water safety personnel. We thank all competitors to represent Sawtell SLSC in such a positive way. And we can't forget and thank all parents to make sure all of our children were ready to train and compete!

We look forward to the 2016/17 season which for sure will deliver some unforgettable moments. Enjoy the company of your surf life saving friends and compete fair and hard.

Gerard Klinkers

Junior Activities Sub-committee Report

Sawtell SLSC Junior Activities Sub-committee (JASC) has had another successful season with our members engaged in a variety of activities including regular Sunday nippers, surf skills training under the guidance of our club coaching panel, a training camp with Manly LSC Juniors and competing in North Coast Branch, NSW Inter-branch, Country and State carnivals. Thank you for the opportunity given to assist our Sawtell JASC members to develop their enjoyment and confidence in surf life saving on our wonderful beach this past season.

I would especially like to acknowledge all the sponsors of our club. As a not-for-profit organisation with significant ongoing costs, we would not be able to proceed each year without you. We appreciate your commitment to enable us to continue offering this opportunity to our members and thank you for your generous support.

The 2015 – 16 season has involved many new volunteers on our Sub-committee, and within the ranks of our age group managers. I wish to thank each and every one for their commitment to the safety and development of our “Nippers” this season.

I particularly wish to acknowledge the massive efforts of Ian James (Beach Superintendent), the IRB team and helpers who arrive at 7.00am each Sunday morning to assess beach conditions and prepare the water and beach areas so that our children can enjoy their activities. These activities have been performed in some challenging beach and surf conditions. The safety of our kids in these activities has always been paramount, and this is largely due to the excellent work of Ian, our dedicated IRB crews and the many water safety volunteers. Thank you all.

Our aim this season was to place more emphasis during Sunday morning activities on the surf life-saving skills that each of the age groups are encouraged to learn under the guidelines set by Surf Life Saving Australia. All of our Under 14's were successful in completing the Surf Rescue Certificate and are now patrolling members of our club. Thank you to Andrew Martin (Chief Training Officer) for his continued efforts in this important award for our Under 14's and the club. 10 of our Under 13's have developed an important life skill in completing their Resuscitation Certificate, 1 of 3 nationally accredited qualifications they achieved under the guidance of their age manager Grace Foster and Steve Foster (Trainer). The younger ages have also achieved awards involving surf awareness and beach safety, basic rescue and first aid techniques, as well as beach environmental protection. Sportsmanship, healthy participation and encouragement of other club members have, and will continue to be encouraged in our activities.

Our membership has increased this season as has our participation at the 3 x local branch carnivals. Some great individual and team results were achieved, but the improving surf skills and team spirit shown by all the kids was the

highlight for me. 46 children competed at the NSW Country Titles at South West Rocks – the largest team for many years. The Club finished 5th overall, thanks largely to the excellent team results. But sometimes the best results of these events are the developing of ‘clubmanship’, and sense of enjoyment witnessed in our kids. Approximately 90 kids and parents gathered (or **invaded** might be the right term) for a memorable meal together at the local country club. This evening reminded me of many happy club events of my own days as a Sawtell Nipper. Thank you to our Club Coaches (Kevin Clancy, Greg Russell, Greg Jensen, Rob Lyons, Andrew Martin, and Shane Golden) for your commitment to the high quality, “free” training of our junior members. The above results are a reflection of your efforts this past year.

Congratulations to Kate Murray and Patrick de Carle for representing Sawtell SLSC in the North Coast Branch “Junior Lifesaver of the Year” Award. They both participated admirably and are a credit to this club. Patrick was awarded the North Coast Branch Male Junior Lifesaver of the Year and attended the NSW JLOTY program at Collaroy recently. He came home excited about the opportunities within our SLSA movement. He also made many friends at the camp and will remain in touch with them throughout his future in this movement.

The Sub-committee has purchased 10 new fibreglass paddle boards and 3 new radios this season to maintain the quality of the surf equipment and safety of the members during club activities. I congratulate Shannon Wilson (Gear & Maintenance Officer) for the excellent work he has done throughout the year to repair and control all the equipment.

I would also like to thank Shantelle Winchester and her “Catering Crew” for the excellent work they have done with the BBQ’s, and other JAC social events this season. Their work at these events foster’s our club spirit and, in turn, these events show the broader beach-going community how great this club is for the local kids.

Nippers is a very important part of Sawtell SLSC. There are many members of our parent club that have assisted with activities throughout this last year in many ways. It is a constant reminder to me, that we are “one” Club and our kids are the future surf lifesavers on this beach for the Sawtell Community.

I look forward to seeing the continued growth and development of our members and this great club next season.

Gerard de Carle

Junior Activities Sub-Committee Chairperson

Sponsor Support

The Club has always relied on support from a range of organisations and the general public. The support, which comes in different forms, is invaluable to the club. Without this support we would not be able to provide our high level of aquatic safety that is recognised by both locals and visitors to our region. This support also greatly assists the Club in ensuring our junior membership, our future, is adequately resourced.

The Club would like to acknowledge the following Major Sponsors and Supporters

Andersens Carpets

These members undertook 200% of their allocated hours

Congratulations on a wonderful commitment to the above 68 members

Certificates of Appreciation are awarded to the following members who undertook all their rostered patrols after being placed on the roster mid-season but did not undertake the 35 hours set as the minimum

Carly Mosti, Hugo Fabry-Will, Dean Golden, Thomas Holmes, Pam Mallinson, Thomas Henderson and Kate Murray

Congratulations to these 7 members

SLSA Awards

Note: These awards differ slightly from those shown by SLSA as SLSA reports on a July – June year whereas Sawtell reports on a May – April year

COMMITTEE'S REPORT
FOR THE YEAR ENDED 30 APRIL 2016

Your Committee Members submit the financial statements of the Sawtell Surf Life Saving Club Incorporated for the financial year ended 30 April 2016.

Committee Members

The names of the committee members in office at any time during or since the end of the year are:

Senior Club	Position	Junior Club
Leanne James	President	Gerard de Carle
Sheena McTackett	Vice President	Gavin Winchester
Bruce Macphail	Secretary	Michael Meacham
Jenni Lyons	Treasurer	Jenni Lyons
Steve Rayson	Club Captain	

Principal Activities

The principal activities of the entity during the financial year were:

- (a) to study and practice the methods of Surf Life Saving as taught by the Surf Life Saving Association of Australia Ltd.
- (b) to minimise the loss of life from drowning by providing efficient life saving apparatus.
- (c) to promote demonstrations and arrange classes of instruction, and to further the best interests of surf bathing and Surf Life Saving.
- (d) to appoint patrols to render all possible aid to those in distress.
- (e) to organise and conduct carnivals and social functions for the benefit and assistance of the Club in the attainment of the above objectives.
- (f) to exercise the power to acquire, lease or hire or in any way deal with real or personal estate.
- (g) to carry on any other activity whatsoever calculated directly or indirectly to enhance or further the interests of the Club.

Significant Changes

No significant change in the nature of these activities occurred during the year.

Operating Result

The surplus of the association for the financial year after providing for income tax amounted to \$29,661 (2015: surplus \$36,094).

Signed in accordance with a resolution of the Committee Members:

Leanne James
President

Jenni Lyons
Treasurer

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2016

Note 1: Statement of Significant Accounting Policies

The financial report is a special purpose financial report that has been prepared in order to satisfy the financial reporting requirements of Sawtell Surf Life Saving Club Incorporated. The Committee have determined that the incorporated entity is not a reporting entity.

The financial report covers Sawtell Surf Life Saving Club Incorporated as an individual entity. Sawtell Surf Life Saving Club Incorporated is an entity incorporated in New South Wales under the Associations Incorporation Act NSW 2009.

The financial report has been prepared in accordance with the Associations Incorporation Act NSW 2009 and the following Australian Accounting Standards:

AASB 101: Presentation of Financial Statements
AASB 107: Statement of Cash Flows
AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors
AASB 1031: Materiality
AASB 1048: Interpretation and Application of Standards

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report have been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

(a) Income Tax

The committee consider that the association is exempt from income tax under Division 50-5 of the Income Tax Assessment Act of 1997.

(b) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

(c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold land and buildings are shown at cost.

The non depreciation of buildings is a departure from AASB 116 Property, Plant & Equipment, which identifies that after recognition as an asset, an item of property, plant and equipment shall be carried at its cost less any accumulated depreciation and any accumulated impairment losses.

Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by committee to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of expected net cash flows which will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining the recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2016

Depreciation

The depreciable amount of all fixed assets including building and capitalised leased assets, but excluding freehold land, is depreciated on a straight-line basis over their useful lives to the association commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation Rate
Buildings	2.5%
Plant and Equipment	15-40%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each reporting date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

(d) Impairment of Assets

At each reporting date, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication of that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

(e) Revenue

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).

(f) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of the item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

(g) Trade and Other Receivables

Trade and other receivables represent the funds owing at the end of the reporting period for goods and services provided by the association during the reporting period, which remain unpaid. The balance is recognised as a current asset with the amounts normally paid within 30 days of recognition of the debt.

(h) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

NOTES TO THE FINANCIAL STATEMENTS
 FOR THE YEAR ENDED 30 APRIL 2016

Note 2: Accounting Policies, Changes in Accounting Estimates and Errors

During the 2016 reporting process, a number of accounts have been reclassified based upon the nature of the balances in order to improve the accuracy of disclosures. These items were considered to be a material error, accordingly these balances were adjusted in accordance with AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors, the prior period accounts have been restated. What follows is the result of the restatement.

	Original 2015 \$	Effect of Restatement \$	Restated 2015 \$
STATEMENT OF PROFIT OR LOSS AND OTHER COMPREHENSIVE INCOME			
Administration Expense	-	(41,954)	(41,954)
Equipment & Repairs	-	(21,912)	(21,912)
Clothing Purchases	-	(10,547)	(10,547)
Other expenses	(130,101)	74,413	(55,688)
Surplus before income tax expense	<u>36,094</u>	<u>-</u>	<u>36,094</u>
Total comprehensive income for the year	<u>\$ 36,094</u>	<u>\$ -</u>	<u>\$ 36,094</u>

(Profit)/loss on sale of fixed assets	1,249	(463)
Changes in Assets and Liabilities:		
Decrease/(increase) in trade and other receivables	(3,313)	(571)
Decrease/(increase) in inventories	2,976	(482)
Decrease/(increase) in accrued income	<u>(1,709)</u>	<u>1,739</u>
Cash flows from operations	<u>\$ 57,938</u>	<u>\$ 66,247</u>

(c) The association has no credit stand-by or financing facilities in place.

Note 12: Capital Commitments

As at 30 April 2016, the association had not engaged in any capital commitments.

Note 13: Events After the End of the Reporting Period

No events have arisen since the end of the reporting period which significantly or may significantly affect the operations of the association, the results of those operations, or the state of affairs of the association in future financial years.

Note 14: Charitable Fundraising

The association holds an authority to conduct fundraising activities under the Charitable Fundraising Act 1991. The net surplus from fundraising was used to pay the clubs running costs, and to provide for future replacement of equipment.

Information and Declarations to be Furnished under the Charitable Fundraising Act 1991

Details of aggregate gross income and total expenses of fundraising appeals.

c) Total costs of services provided	89,828	44.5	74,185	37.8
Total income received (excluding capital grants)	202,009		196,125	

Note 16: Economic Dependence

The ability of the association to continue as a going concern is dependent upon the continuation of the following matters:

(a) The association is financially dependent upon support from council to occupy the premises for a value that is significantly below market rate.

(b) The association is financially dependent upon voluntary labour provided by members to support the operations of the association.

(c) The association is financially dependent upon continuing donations, support and fundraising from the community.

Should the above matters be subject to an adverse change then there would be significant uncertainty as to whether the association would be able to continue as a going concern.

Note 17: Association Details

The principal place of business of the association is:

Sawtell Surf Life Saving Club Incorporated

STATEMENT BY MEMBERS OF THE COMMITTEE
FOR THE YEAR ENDED 30 APRIL 2016

The committee have determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in note 1 to the financial statements.

In the opinion of the committee the financial report as set out on pages 2 to 11:

1. Presents a true and fair view of the financial position of Sawtell Surf Life Saving Club Incorporated as at 30 April 2016 and its performance for the year ended on that date.
2. At the date of this statement, there are reasonable grounds to believe that Sawtell Surf Life Saving Club Incorporated will be able to pay its debts as and when they fall due.
3. The accounts give a true and fair view of all income and expenditure with respect to fundraising appeals.
4. The statement of financial position gives a true and fair view of the state of affairs of the organisation with respect to fundraising appeals.
5. The provisions of the Charitable Fundraising Act 1991 (NSW), the regulations under the Act and the conditions attached to the fundraising authority have been complied with by the association.
6. The internal controls exercised by the association are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Leanne James
President

Dated: 15 June 2016

Jenni Lyons
Treasurer

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF
SAWTELL SURF LIFE SAVING CLUB INCORPORATED**

ABN 43 320 356 044

Report on the Financial Report

We have audited the accompanying financial report, being a special purpose financial report of Sawtell Surf Life Saving Club Incorporated, which comprises the statement of financial position as at 30 April 2016, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Associations Incorporation Act 2009 and to meet the needs of the members.

The committee's responsibility also includes such internal control as the committee members determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and to plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluation the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian professional ethical pronouncements.

**INDEPENDENT AUDITORS' REPORT
TO THE MEMBERS OF
SAWTELL SURF LIFE SAVING CLUB INCORPORATED**

ABN 43 320 356 044

Basis for Qualified Auditor's Opinion

It was not practicable for the association to establish effective accounting controls over all cash transactions prior to their receipt by the financial administrator. Accordingly, it was not possible in our examination to include audit procedures which would allow us to conclude that all cash transactions have been received and recorded in the accounting records of the association.

Qualified Auditors' Opinion

In our opinion, except for the financial effects of the matters described above in the basis for qualification paragraph above, the financial report of Sawtell Surf Life Saving Club Incorporated is in accordance with the Associations Incorporation Act NSW 2009, including:

- (a) giving a true and fair view of the Association's financial position as at 30 April 2016 and of the Association's performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1 and the Associations Incorporation Act NSW 2009.
- (c) keeping such financial records as are necessary to enable financial statements to be prepared in accordance with Australian Accounting Standards

Basis of Accounting

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the committee's financial reporting responsibilities under the Associations Incorporation Act 2009. As a result, the financial report may not be suitable for any other purpose.
