

MISSION STATEMENT

Our Club, a place to Belong, Grow and be Safe

VISION and VALUES

- Provide an environment of encouragement for participation in events and activities conducted by and for all members, sponsors and the community.
- Provide access to accredited training for individuals wishing to further develop their Surfing Life Saving related knowledge and skills.
- Encourage members to obtain relevant qualifications and join regular Patrols
- Ensure communication is a priority to inform all members of events, happenings, and decisions, and encourage involvement.
- Assist competitors to achieve their goals by providing consistent high quality coaching, and foster participation in surf sports for the benefit of Sawtell SLSC and Surf Life Saving.

SAFETY

- Minimise risks to members by providing high quality training and tuition.
- Promote education and safety in relation to the sun, surf, and their hazards.
- Carry out a risk assessments prior to Club Patrols and events.
- Provide regular Patrols during the official season and at other times.
- Ensure adequate insurance is provided to financial club members as per the current Surfing Life Saving Australia Insurance Policy.

Environment

- Help provide, through regular patrol and Club activities, a clean and safe, beach and foreshore environment.

Sponsors

- Actively engage, promote and respect the support given to the Club by sponsors.

Financial

- Develop a financial base to support club activities and events.
- Purchase adequate equipment, and provide funds for replacement and/ or enhancement.
- Assist members in accessing available funding opportunities.
- Submit applications for relevant grants/ funding assistance available to the Club.

Engagement

- Provide an environment for members and the community to interact socially, and help create Club unity and strength.
- Ensure a proactive media promotion to ensure all Club community activities and achievements are recognised.
