

SAWTELL NIPPERS

Sponsorship PACKAGES

2024-2025 SEASON

Sawtell Nippers

The beach is an integral part of life for millions of Australians and Can be a very dangerous place to visit. Nippers is a wonderful way for our kids to slowly develop the knowledge and skills to use the beach wisely, while having fun and making new friends. At Sawtell SLSC we are lucky enough to have a large number of nippers and families who will be our next generation of Surf Life Savers.

Nippers is important to families for many different reasons:

For some families, Nippers is just a bit of beach fun on a Sunday morning with friends.

For others, it's about learning new skills, gaining confidence and learning how to be safe at the beach.

For our competitive Nippers, it's about training, fitness, friendship and competing in local, State and National events.

Some Nippers have the dream of becoming a Surf Life Saver and patrolling our beaches. Nippers provides them with opportunity to learn the skills they need to achieve their Bronze Medallion.

Sawtell Nippers is a junior activities program that introduces kids from 5 to 14 to Surf Life Saving, Sawtell SLSC also supports the inclusion of people of different abilities. As our nippers progress through the years they will undergo lessons in wading, running, ocean swimming, board paddling and life saving skills.

Sponsorship allows us to keep our fees down, purchase necessary equipment, offer training for our volunteers and help encourage our Nippers along their journey.

Please take a look through our sponsorship packages to see how we can work together to help our amazing club. We invite you to please reach out to us if you have any questions.
