

Sponsorship Opportunities

2025/26 SEASON

Support surf safety. Strengthen your brand. Make a lasting impact.

Are you interested in supporting Sawtell Surf Life Saving Club?

Sawtell SLSC is a vital part of our coastal community - providing volunteer patrols, surf safety education, and training the next generation of lifesavers. As a volunteer-run club, we rely on sponsorship to fund everything from radios and rescue gear to surf skis and ATVs.

Your support helps keep our beach safe for everyone - from local families to holiday visitors - while building surf skills and supporting the future of lifesaving in Sawtell.

In return, we offer meaningful brand exposure through signage, digital channels, and community events, all while aligning your business with a trusted, values-driven organisation.
